

# DIAMOND2<sup>®</sup>

A PATENTED LAB-GROWN GEM

## Bangle Size template

### How to print

-To get the best results, make sure this guide is printed on A4 size paper (8.27" x 11.69") and scaled to 100%.

-To check that the Diamond2<sup>®</sup> Wrist band has been printed properly, take a ruler and measure line below. It should measure exactly 50 mm.

### How to use the Diamond2<sup>®</sup> wrist band

- Cut out the paper wrist band and follow the instructions below.
- On the wrist band, make a slit on the dotted line, where indicated (cut here).
- Wrap it snugly around the wrist making sure the numbers are facing outside.
- Pull the pointer through the slit until it fits perfectly on your wrist.
- Make a note of the number. To ensure the bracelet fits comfortable, add 15 mm. You can then add or subtract millimeters according to whether you prefer a loose, exact or tight fit.
- Match that number with the bangle dimensions as mentioned in the table below.

**Please note that the Diamond2<sup>®</sup> Wrist band is an indicative guide only and therefore may not be an exact measure.**
